| Wisconsin | Department of Health Services Announcement | | Allows Medicaid coverage for telehealth services for all originating sites | | | COVID-19 |
| Wyoming | Board of Medicine Guidance Emergency Licensure Application | | an originating sites | Physicians and physician assistants not licensed in Wyoming may qualify to work here during the declared public health emergency through the "consultation exemption." If approved to do so, the physician or physician assistant is considered to be "consulting" with the State Health Officer. The exemption from licensure, if approved, will be valid until the earlier of the end of the Public Health Emergency or the termination by the State Health Officer of the "consultation." Current, full and unrestricted licensure in at least one U.S. jurisdiction or county is required. The exemption is not automatic, requires approval of the Board of Medicine and the State Health Officer, and does not apply to all physicians and physician assistants. | | COVID-19 |
